From The Revd Michael

COVID-19 Restrictions Update:

Following the State Government’s announcement on Wednesday 9 June in relation to the easing of restrictions from Friday 11 June, we are able to resume services in the church this coming Sunday based on the 4 square metres per person rule, which means we can have a maximum of 34 people (including myself) in the church. Masks must be worn at all times during the service, unless you are doing the readings or intercessions.

Men’s Tea:

Because the State Government has reintroduced the rule of 4 square metres per person for any church gathering, the Men’s Tea for June will have to be cancelled as we can’t accommodate the numbers in the space in the John Steele Room.

Audio/Visual System:

All of the “teething issues” with the new system have now been fixed, and we will once again be attempting to livestream the 10am service on Facebook this Sunday using the new live-streaming camera. I should point out to people, which I have only learned myself this week, that there is at least a 5 second delay between what is happening live in the church and what people are seeing on Facebook. There is nothing that can be done to reduce this as the “image” that people are seeing on Facebook, which is being sent digitally, passes through several different stages or steps in the process and each of these particular steps adds time to that process. People watching at home on Facebook however are not aware of the time “lag” because all they see is the image as it appears to them on screen. They are not aware that this is out of step with the timing of what is happening in the church.
